

5TH ANNIVERSARY OF THE INVASION

# BLOCKADE THE IRS

**MARCH 19 • WASHINGTON D.C.**

Just as military recruiters supply the bodies for the war, the IRS supplies the funding. We call on all war opponents to help dramatize our opposition by joining this nonviolent blockade. While some of us will sit down to prevent the IRS from opening as usual, others will hold signs and banners, pass out flyers, talk with passersby, and generally call attention to the cost of the war and our collective responsibility to stop funding it.
