1.  
Its time to be brave  
Its time to be free  
Its time to welcome all  
The refugees!
2.  
We sing to heal the  
heartache  
We sing because we  
know  
Tonight in Iraq and Syria  
Our people need some  
Hope
3.  
I love my Muslim people  
and you should too  
I love my Muslim people,  
I'm out here for you

4.  
No Fear, Let's Get Free  
Imagine if your daughter  
was a refugee  
No Fear, Let's Get Free  
Open up the borders for  
our family
5.  
If you want human rights  
respected then stand up  
If you know we're all  
connected put your  
hands up
6.  
Our life is on the line,  
Our life is on the line  
Every refugee is part of  
our tribe!
